Part 1 of 2

## Story of Prophet Solomon (Suleiman) (pbuh)

All thanks are due to Allah, the Most-Generous. I bear witness that there is nothing worthy of worship except him. He has no partners. May Allah send peace and blessings upon His final messenger.

And then, Servants of Allah, today we will talk about Prophet Solomon, peace be up on him, God willing.

### Solomon's Knowledge

Solomon inherited David's prophethood and dominion. This was not a material inheritance, as prophets do not bequeath their property. It is given away to the poor and needy, not to their relatives. Prophet Muhammad (saws) said: **"The prophets' property will not be inherited, and whatever we leave is to be used for charity."** (Sahih Al-Bukhari)

*"And indeed We gave knowledge to David and Solomon, and they both said: "All the praises and thanks be to Allah, Who has preferred us above many of His believing slaves!" And Solomon inherited (the knowledge of) David. He said: "O mankind! We have been taught the language of birds, and on us have been bestowed all things. This, verily, is an evident grace (from Allah)." And there were gathered before Solomon his hosts of jinns and men, and birds, and they were all set in battle order (marching forwards). (27:15-17)*

### Solomon Becomes King

After his father's death, Solomon became king. He begged Allah for a kingdom such as none after him would have, and Allah granted his wish. Besides wisdom, Allah had blessed Solomon with many abilities. He could command the winds and understand and talk to birds and animals. Allah directed him to teach both men and djinns to mine the earth and extract its minerals to make tools and weapons. He also favored him with a mine of copper, which was a rare metal in those days.
